Welcome

2015 Cab Fringe Team: Eugene Suleau, Paul Boylan, Dahlia Opala and Tracey Davis

WELCOME TO OUR PARTY!

In 2003, Torsten Meyer curated the first ever Cabaret Fringe Festival, which took place in the famed Weimar Room on Hindley Street. Twenty-six events made up the programme, which included, amongst others, performances from Berlin Cabaret and a Bette Midler tribute.

Fast-forward to 2015 and what will be the 10th Cabaret Fringe Festival overall. There's no Bette Midler... but we still have Berlin Cabaret! Just goes to show, the more things change, the more they stay the same.

The Cabaret Fringe has seen hundreds of artists perform thousands of shows to tens of thousands of willing Adelaide cabaret lovers, in venues right across the city. It's been an ideal breaking ground for local emerging cabaret talent and many have gone on to ply their wares around the country and overseas.

This year will be no exception, with a number of local acts appearing for the first time. Encouragingly, we have acts from three other states coming to Adelaide especially to make their Cab Fringe debut. Perhaps they've heard that Adelaide audiences are keen to discover fresh talent? Perhaps they've heard about our cool boutique venues? Or maybe they just come for the fun of it?

In our 10th anniversary year, we're inviting you to come to our party, to share in the fun with us. There really is something for everyone at Cabaret Fringe... so put on your sparkly dress, brush off that fancy suit and let's party! It's Cabaret Fringe time!

Eugene Suleau
Cabaret Fringe Festival Co-Director

THE WEIMAR ROOM

DM

This year marks the 10th anniversary of an independent Cabaret Fringe Festival, and lovers of cabaret in all its genres are in for a special treat: the Opening Night Gala will be hosted by the stars of the famous Berlin Cabaret, Adelaide's own underground cabaret cult sensation.

Inspired by the success of the original 'Berlin Cabaret' show, the first Cabaret Fringe Festival was held in 2003 at the Weimar Room on Hindley St. This year, we are paying homage to both the creators and the venue of its birth at the CabFringe launch.

So pull out your fishnets and your corset or your top hat & tails, and welcome the Opening Night Gala! Berlin Cabaret will begrudgingly invite the stars of today's Cabaret Fringe to perform on their stage in a grand showcase... a taster... a teaser of what you will find on the Cabaret Fringe menu for 2015. It's the perfect way to kick off your cabaret season!

A Breath of French Air

Presented by Panache Adelaide French Theatre

Breathe in the essence of France at “A Breath of French Air”: a taste of France’s romance and humour in a series of songs and sketches presented by Panache Adelaide French Theatre.

In a rapid succession of entertaining sketches and thought-provoking songs, A Breath of French Air examines what it is to be French: La France, qu’est-ce que c’est? Is France the country of love, of fine cuisine, of ideas, of joie de vivre, of liberty, or is she an amalgam of all these elements?

For people who are less confident with their French, the performances are supported by surtitles in English. A ne pas manquer! (Not to be missed!)

A Postmodern Striptease

A Postmodern Striptease, a one-woman cabaret show written by Irene Nicola, asks the question ‘what is it to be a performer?’ in a world where the self is deconstructed, reinvented and marketed to suit the individual’s needs above the identity that lies beneath that constructed, polished veneer. It further examines the premise: once all masks are off, are we still performing? If not, can we accept and “own” our vulnerability with others? And can we come back from this, unscathed?

The answers to these and many more questions about the “self” lie at the heart of A Postmodern Striptease. Come and join in a light-hearted, not-taking-itself-too-seriously, sexy lecture in performance theory and psychoanalysis, with all original music, burlesque and a few more surprises!

Questions and riddles, music and gibberish all about the anti-heroes of pop music – the Geek pop stars.

And why should geek pop matter? Well, for example, without the godfather of geek, Buddy Holly, there would have been no Elvis Costello, no Roy Orbison, no Talking Heads, no Devo, no Split Enz – nowell, no one important anyway.
